

## Software End-User License Agreement - EULA

### **INTRODUCTION:**

Please read the terms and conditions of this Software End-User License Agreement ("License agreement") carefully before using the software (as defined below). Century 21 Technologies Ltd ("C21T") under licence by SAVV S.r.l. ("SAVV") the software developer/manufacturer is willing to license the software to You as the individual, the company or the legal entity that will be utilizing the software (referenced below as "You" or "Your") only on the condition that You accept all of the terms of this License agreement. This is a legal and enforceable contract between You and C21T. By opening this package, breaking the seal, clicking the "I agree" or "Yes" button or otherwise indicating assent electronically, or loading the software, You agree to the terms and conditions of this License agreement.

### **LICENSING AND COPYRIGHT:**

SAVV S.r.l. branded software, including any features, services and configuration files, and documentation, including any attached paper or electronic documentation (the "Documentation"), that accompany this License Agreement (collectively the "Software") are the property of C21T or its licensors and are protected by copyright law. Although C21T continues to own the Software, after Your acceptance of this License Agreement You will have certain rights to use the Software during the Service Period. The "Service Period" shall begin on the date of Your initial installation of the Software on a computer (notebook/desktop/server) or mobile computing device (collectively the "Device"), regardless of the number of copies that You are permitted to use, and shall last for the period of time set forth in the Documentation or sale documentation from C21T or the authorized distributor or reseller from which You obtained the Software. The Software may automatically deactivate and become non-operational at the end of the Service Period and You will not be entitled to receive any feature or content updates to the Software unless the Service Period is renewed. Unless otherwise specified in writing in sale or accompanying documentation the Service period will have no expiration date (Perpetual License). This License Agreement governs any releases, revisions, updates or enhancements to the Software that C21T may make available to You. Except as may be modified by the Documentation, Your rights and obligations under this License Agreement with respect to the use of this Software are as follows. During the Service Period You may: A. use one copy of the Software on a single Device in desktop mode (in case the Software allows doing so). If a greater number of copies and/or Devices is specified within the Documentation or sale documentation from C21T or the authorized distributor or reseller from which You obtained the Software, You may use the Software in accordance with such specifications; B. use the Software in a network in client-server mode (in case the Software allows doing so) provided that You have a licensed copy of the Software for the server and one CAL license for each user who can access the server over that network from a remote Device; C. make one copy of the Software for back-up or archival purposes or copy the Software onto the hard disk of Your Device and retain the original for back-up or archival purposes; D. permanently transfer all of Your rights in the Software granted under this License Agreement to another person or entity, provided that You retain no copies of the Software and the transferee agrees to the terms of this License Agreement. Partial transfer of Your rights under this License Agreement shall not be permitted. For example, if the applicable documentation grants You the right to use multiple copies of the Software, only a transfer of the rights to use all such copies of the Software would be valid. You may not, nor may you permit any other person to: A. sublicense, rent or lease any portion of the Software; B. reverse engineer, decompile, disassemble, modify, translate, make any attempt to discover the source code of the Software or create derivative works from the Software; C. use the Software in any manner that is not permitted pursuant to this License Agreement.

### **SOFTWARE INSTALLATION AND ACTIVATION:**

There may be technological measures in this Software that are designed to prevent unlicensed or illegal use of the Software. You agree that C21T may use these measures to protect C21T against software piracy. This Software may contain enforcement technology that limits the ability to install and uninstall the Software on a Device to not more than a finite number of times for a finite number of Devices. This License Agreement and the Software may require activation as further set forth in the Documentation. During activation You may be required to provide over the Internet Your unique product code accompanying the Software and an alphanumeric code associated with Device configuration to verify the authenticity of the Software. If You do not complete the activation the Software may cease to function until activation is complete, at which time the Software functionality will be restored. In the event that You are not able to activate the Software over the Internet, or through any other method specified during the activation process, You may contact C21T Customer Support.
